EQUITY, DIVERSITY, INCLUSION & NON-DISCRIMINATION

Trust Care Children's Homes Ltd is committed to creating a safe, inclusive, and culturally respectful environment for all children, youth, families, and staff. We do not tolerate any form of discrimination based on race, ethnicity, religion, gender identity, sexual orientation, ability, or socio-economic status.

We acknowledge and respect the traditional territories of Indigenous peoples across Ontario and are dedicated to providing culturally competent and trauma-informed care to Indigenous youth.

Our agency promotes equity and diversity by embracing the uniqueness of every individual and ensuring fair, respectful treatment for all. We actively support 2SLGBTQIA+ youth, provide continuous staff training on inclusive practices, and uphold anti-racist, anti-oppressive values in everything we do.

Discrimination or harassment will not be accepted and will result in appropriate actions. At Trust Care, every child deserves to feel safe, valued, and empowered.
